

Prayer Guide

Our Mission: The mission of Compass Ministries is to inspire the community to act against trafficking and provide exploited women with hope in Christ.

The Women: Hope, healing, protection and freedom. That their purpose will be revealed. Provision and employment. Revelation of worth and value. “Liberators” to rise up and lead others to freedom.

The Consumers: True heart and life change. Freedom, healing and accountability. Significant reduction in demand. Funds previously used to fuel demand, instead used to bring restoration to women.

Pimps, Traffickers, & Sex Industry Business Owners: True heart and life change. Stories of redemption to emerge. Criminal networks and manipulative strategies dismantled.

Families: Strengthening of families. Healing and restoration in marriages. Cycles of drug, alcohol and sexual abuse broken.

Root Causes & Systemic Issues: Against poverty, greed and consumerism, sexism, racism and oppression.

For The Culture: Façade of glamour deconstructed. Global implementation of just legislation. Truth revealed and global awareness raised People to stand against a “Culture of Prostitution.”

The Church: Laborers stirred to action. Doors opened to the broken and lost. To bring healing and transformation. Freedom and integrity restored to the members.

Compass Employees, Board members and Volunteers: Divine wisdom, strategy, favor and provision. Strength and unity in the Compass Team. God-breathed words to effectively communicate to the women, our partners, and our culture alike. That we could build an army of leaders in our cities who will stand up and fight in the face of injustice fueled by the sex industry. And for protection, both physical and spiritual.
